GENERAL RESTRICTIONS APPLICABLE TO COMMUNITY AREA

All real property within the Community Area shall be held, used, and enjoyed subject to the following limitations and restrictions, and subject to exemptions of Declarant set forth in this Declaration. Subject to the Deed Restrictions, the strict application of the following limitations and restrictions in any specific case may be modified or waived in whole or in part by the Design Review Committee if such strict application would be unreasonably or unduly harsh under the circumstances, except for the easements and restrictions granted to the Golf Course Owner which may not be modified, waived or amended without the Golf Course Owner's written approval, which may be withheld at its sole discretion. Any such modification or waiver must be in writing or be contained in written guidelines or rules promulgated by the Design Review Committee.

3.1. Maintenance of Community Area. No property within the Community Area shall be permitted to fall into disrepair, and all property within the Community Area, including all improvements and landscaping thereon, shall be kept and maintained in a clean, attractive, and slightly condition and in good repair. Maintenance, repair, and upkeep of each Lot shall be the responsibility of the Owner of the Lot. Maintenance, repair, and upkeep of Association Properties shall be the responsibility of the Association. Violation of this provision by an Owner shall permit the Association, after Notice and Hearing, to enter on the Lot of the Owner and cure the violation or cause compliance with this provision and to levy and collect a Reimbursement Assessment for the costs and expenses of the Association in so doing; provided, however, that there shall be no entry into the interior of an Improvement intended for human occupancy without the consent of the Owner thereof unless a clear emergency exists. Pursuant to the Deed Restrictions, if the Association does not cure the violations, the Golf Course Owner may cure the default and the Association and Lot Owners shall be liable for the cost and expense incurred by the Golf Course Owner.

3.2. **Property Uses.** All Lots shall be used for private residential purposes. Except as otherwise provided herein, no dwelling erected or maintained within the Community Area shall be used or occupied for any purpose other than for a single-family dwelling. Notwithstanding the foregoing, business activities associated with the sale of Lots or residences constructed thereon shall be allowed. In addition, in-home businesses or occupations not involving the servicing of customers or employees, other than the Owners, shall be allowed, provided such activities are conducted solely within the residence and do not create or result in any nuisance or any unreasonable, unwarranted, or unlawful use or interference with public rights, including, but not limited to, unreasonable or unwarranted use or interference with public streets, excessive traffic or parking requirements, rights-of-way, or sidewalks, or in any other offensive or noxious activities. Notwithstanding anything to the contrary, Declarant and its successors and assigns shall have the right to construct and operate a temporary building or mobile home as a development sales office and nothing recited in the Declaration shall be applicable to restrict, interfere, limit or be applicable to Declarant's sales activities concerning the Community Area which activities are specifically exempted until all Lots are sold to an Owner.

3.3. **Construction Type.** All construction shall be new. No building previously used at another location nor any building or structure originally constructed as a mobile dwelling or structure may be moved onto a Lot, except as expressly hereinafter provided for Declarant's, or its successors and assigns, temporary buildings. The foregoing restriction shall be set forth as a Plat note on the Plat for all Lots and shall constitute a covenant running with said Lots in perpetuity and shall not be affected by the termination, amendment or other modification of this Declaration. The foregoing restriction shall be enforceable in the same manner as the other Special Conditions set forth in Article 10 hereof. No building shall be erected or maintained on any Lot unless it complies with all applicable control standards, including any governmental ordinances, and the Design Review Committee.

3.4. **Building Envelopes.** All dwelling units erected or placed on any Lot shall face the road or street adjacent to the Lot as shown on the recorded Plat for such Lot and such dwelling unit shall be constructed solely within the Building Envelope for such Lot. No Improvement of any kind, other than approved landscaping, shall be constructed or placed upon any Lot outside any perimeter fencing located upon such Lot.

3.5. **No Noxious or Offensive Activity.** No noxious or offensive activity shall be carried on upon any property within the Community Area, nor shall anything be done or placed thereon which is or may become a nuisance or cause an unreasonable embarrassment, disturbance, or annoyance to others.

3.6. Annoying Sounds or Odors. No sound or odor shall be emitted from any property within the Community Area which is noxious or unreasonably offensive to others. Without limiting the generality of the foregoing, no exterior speakers, horns, whistles, bells, or other sound devices, other than security devices used exclusively for security purposes, shall be located or used on any property except with the prior written approval of the Design Review Committee.

3.7. No Hazardous Activities. No activity shall be conducted on and no Improvement shall be constructed on any property within the Community Area which is or might be unsafe or hazardous to any Person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any property within the Community Area and no open fires shall be lighted or permitted on any property within the Community Area except in a contained barbecue unit while attended and in use for cooking purposes or within an interior or exterior fireplace designed to prevent the dispersal of burning embers.

3.8. No Unsightliness. All unsightly conditions, structures, facilities, equipment, objects, and conditions shall be enclosed within a structure, including equipment and garden or maintenance equipment except when in actual use.

3.9. Weeds. All yards and open spaces and the entire area of every Lot on which no building has been constructed shall be maintained in accordance with standards to be established by the Design Review Committee. In addition, each Lot shall be kept free from brush or other growth or trash which, in the reasonable opinion of the Design Review Committee, is unsightly or causes undue danger of fire. Notwithstanding the foregoing, the Design Review Committee shall be authorized to permit landscaping on a Lot in accordance with a landscaping plan approved by the Design Review Committee in accordance with the provisions hereof.

3.10. Restrictions on Garbage and Trash. No refuse, garbage, trash, lumber, grass, shrub, or tree clippings, plant waste, compost, metal, bulk materials, scrap, refuse, or debris of any kind shall be kept, stored, or allowed to accumulate on any Lot except within an enclosed structure or appropriately screened from view, except that any container containing such materials may be placed outside at such times as may be necessary to permit garbage or trash pickup.

3.11. Animals. No livestock of any description may be kept or permitted on the Property with the exception of dogs, cats, and other animals which are bona fide household pets, and which do not make objectionable noise or constitute a nuisance or inconvenience to Owners of other Lots nearby. Upon receipt of a written complaint regarding any dog or other pet, the Design Review Committee may notify the Owner of such dog or other pet of

the complaint and, after affording the Owner an opportunity to be heard, impose such restriction upon the Owner regarding such dog or other pet as may be reasonably necessary to satisfy said complaint, in the discretion of the Design Review Committee. No raising, breeding, training or dealing in dogs, cats or any other animals may be permitted on or from any Lot. All household pets shall be controlled by their Owner and shall not be allowed off the Owner's Lot except when properly leashed and accompanied by the pet Owner or his representative. Each Owner of a household pet shall be financially responsible and liable for any damage caused by said household pet.

3.12. **Restrictions on Traffic.** Subject to the Deed Restrictions and the ingress and egress easements granted to the Golf Course Owner, Declarant shall have the right and power and option to establish and enforce rules and regulations governing the operation of vehicles and conveyances, motor-powered or otherwise, on the streets of the subdivision. Such rule and regulation making power and option shall include, but is in no way limited to, the establishment and enforcement of speed limits, stop signs, yield signs, no parking zones, traffic control signals, safety zones and other traffic control and safety devices, rules and regulations together with reasonable remedies, including fines for violations of such rules or regulations.

3.13. **No Temporary Structures.** Except for temporary structures used by Declarant and its successors, agents, and assigns for any activities concerning the sale of Lots or Residences in the Community Area, no tent, shack, temporary structure, or temporary building shall be placed upon any property within the Community Area except with the prior written consent of the Design Review Committee obtained in each instance.

3.14. **Restriction on Antennae, Pipes, Utility Lines and Transmitters.** Pipes for water, gas, sewer, drainage, or other purposes, and wires, poles, aerials, antennae, satellite dishes and other facilities for the transmission or reception of audio or visual signals or electricity, and utility meters or other utility facilities shall be kept and maintained, to the extent reasonably possible, underground or within an enclosed structure. No exterior radio antenna, television antenna, or other antenna of any type shall be erected or maintained in the Community Area. With the approval of the Design Review Committee, a master antenna or cable television antenna may, but need not, be provided for use of all Owners or a group of Owners, and Declarant may grant easements for such purposes. No electronic or radio transmitters of any kind other than garage door openers or cordless telephones shall be operated in or on any structure or within any Lot.

3.16. **Restrictions on Mining or Drilling.** No property within the Community Area shall be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel, or earth, except drilling, exploring for, or removing underground water by Declarant or any Person designated by Declarant. Notwithstanding the foregoing, Declarant, for itself and its successors and assigns, excepts and reserves and shall retain the right to develop and remove any such oil, gas, hydrocarbons or minerals by slant drilling or other suitable means of subterranean entry; provided, however, that any such method of slant drilling or other means of subterranean entry can be employed without impairing structures, improvements or appurtenances, or the use thereof, located or to be located on any Lot.

3.17. **Wells.** No well from which water is produced shall be dug, nor shall storage tanks, excluding Septic Tanks, or reservoirs be made or operated anywhere in the Community Area; provided, however, the Association shall have such right, but not the obligation, in connection with its performance of Public Functions to drill wells and, provided further that nothing herein shall prevent the drilling of, or the installation of wells by Declarant or any special district in which the Community Area is located, for purposes of providing water to the Community Area and adjacent areas.

3.18. **Maintenance of Drainage.** There shall be no interference with the established drainage pattern over any property within the Community Area, except as approved in writing by the Design Review Committee. Approval shall not be granted unless provision is made for adequate alternate drainage. The "established drainage pattern" shall mean the drainage pattern which exists at the time the overall grading of any property is

completed and shall include any established drainage pattern shown on any plans approved by the Design Review Committee or required by the Golf Course Owner pursuant to the Golf Course Easements. The established drainage pattern may include the drainage pattern: (a) from Association Properties over any Lot; (b) from any Lot over the Association Properties; (c) from any property owned by the county or other Persons over any Lot; (d) from any Lot over property owned by the county or other Persons; (e) from any Lot over another Lot, or (f) from the Golf Course Property over any portion of the Community Area. The owner of each Lot shall maintain the drainage abutting its property to prevent erosion and the Association and/or Declarant shall have the right to correct any deficiency in the maintenance by the Owner, at the Owner's expense.

3.19. **Compliance with Insurance Requirements.** Except as may be approved in writing by the Board of Directors, nothing shall be done or kept on property within the Community Area which may result in a material increase in the rates of insurance or would result in the cancellation of any insurance maintained by the Association.

3.21. **Further Subdivision of Lots.** The Owner of a Lot shall not further subdivide that Lot.

3.22. **Restrictions on Septic Tank Systems.** Septic Tanks shall be installed on each Lot in accordance with all federal, state, and local regulations. 3.25. Storage. No building materials shall be stored on any Lot except temporarily during continuous construction of an Improvement.

3.26. Vehicle Repairs. No maintenance, servicing, repair, dismantling, or repainting of any type of vehicle, boat, machine, or device may be carried on, except within a completely enclosed structure which screens the sight and sound of the activity from the street and from other Lots.

3.27. Storage of Gasoline and Explosives, Etc. No Lot shall be used as storage of explosives, gasoline, or other volatile and/or incendiary materials or devices or any materials deemed hazardous substances under applicable environmental laws, rules, or regulations. For the purposes of this covenant, any 3/4-ton or smaller vehicle, commonly known as a pickup truck, shall not be deemed a commercial vehicle or truck. The Association shall have the right to enter Owner's Lot to remove and store, at Owner's expense, vehicles in violation of this Section. Declarant, for itself and its designees, reserves the right to retain title to any such easements. Upon cessation of Class B membership, the Association shall have the right to grant the easements described herein. 3.38. **Entry Easement.** In the event that the Owner fails to maintain the Lot as required herein, or in the event of emergency repairs and to do the work reasonably necessary for the proper maintenance and operation of the property, entry upon the Lot as provided herein shall not be deemed a trespass, and the Association shall not be liable for any damage so created unless such damage is caused by the Association's wilful misconduct or gross negligence.

3.39. **Drainage Easements.** Easements for the installation and maintenance of utilities, storm water retention/detention ponds, and/or a conservation area are reserved as may be sworn on the recorded Plat. Within these easement areas, no structure, plant or material shall be placed or permitted to remain which may hinder or change the direction or flow of drainage channels or slopes in the easements. all improvements contained therein shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible.

3.40. **Temporary Completion Easement.** All Lots shall be subject to easement of ingress and egress for the benefit of Declarant, its employees, subcontractors, successors and assigns, over and upon the front, side or rear yards of the property as may be expedient or necessary for the construction, servicing and completion of dwellings and landscaping upon Lots adjacent to the property, provided that such easement shall terminate twelve (12) months after the date such Lot is conveyed to the Owner by Declarant.

3.41. **Owner's Right to Ingress and Egress.** Each Owner shall have the right to ingress and egress over, upon and across the Common Area necessary for access to his Lot, and such right shall be appurtenant to and pass with the title to each Lot.

The landscaping of each Lot shall be primarily indigenous plant life from an established plant list as established by the Design Review Committee. No landscaping plan shall be implemented until approval of the Design Review Committee has been obtained. Each Owner shall maintain the landscaping upon such Owner's Lot in good condition. the dwelling; and shall not be visible from any residential street, the golf course, or any Lot adjacent to the Lot on which the pool is located.

3.45. Outside Lighting. All exterior lighting installed or maintained on any dwelling unit located on a Lot shall be placed so that the light source is not visible from the dwelling on any neighboring Lot, any Common Area, or the Club House to be constructed on the Golf Course Property. The Design Review Committee may establish various standards for exterior lighting including, without limitation, standards for hue and intensity

During the period of development of the Community Area while Declarant has rights to appoint members of the Design Review Committee, Declarant shall give the Association written notice of the appointment or removal of any member of the Design Review Committee. The "Appointment Period" shall mean the period of time commencing as of the date of recordation of this Declaration and continuing until the earliest to occur of the following events: (a) when all Lots which may be created within the Community Area have been conveyed to Persons other than Declarant and certificates of occupancy have been issued for the residences constructed thereon; or (b) twenty-five (25) years from the date of recordation of this Declaration. The Design Review Committee may condition its approval of any proposed Improvement to Property upon the making of such changes therein as the Design Review Committee may deem appropriate.

4.9 Design Standards The Design Review Committee may issue standards or rules ("Design Standards") relating to the procedures, materials to be submitted, fees, and additional factors which will be taken into consideration in connection with the approval of any proposed Improvement to Property. The Design Standards may specify circumstances under which the strict application of limitations or restrictions under this Declaration will be waived or deemed waived in whole or in part because strict application of such limitations or restrictions would be unreasonable or unduly harsh under the circumstances. The Design Standards may waive the requirement for approval of certain Improvements to Property or exempt certain Improvements to Property from the requirement for approval, if such approval is not reasonably required to carry out the purposes of this Declaration.

4.10. Design Review Fee. The Design Review Committee may, in the Design Standards, provide for the payment of a fee to accompany each request for approval of any proposed Improvement to Property. The Design Review Committee may provide that the amount of such fee shall be uniform for similar types of any proposed Improvement to Property or that the fee shall be determined in any other reasonable manner, such as based upon the estimated cost of the proposed Improvement to Property. The Design Committee may further provide that the amount of any such design review fee include engineering consultant and other fees reasonably incurred by the Association in reviewing any proposed Improvement to Property.

4.11. Decision of Committee. Any decision of the Design Review Committee shall be made within thirty (30) days after receipt by the Design Review Committee of all materials required by the Design Review Committee, unless such time period is extended by mutual agreement. The decision shall be in writing and if the decision is not to approve a proposed Improvement to Property, the reasons therefor shall be stated. The decision of the Design Review Committee shall be promptly transmitted to the Applicant at the address furnished by the Applicant to the Design Review Committee.

4.12. Failure of Committee to Act on Plans. Any request for approval of a proposed Improvement to Property shall be deemed approved, unless disapproval or a request for additional information or materials is transmitted to the Applicant by the Design Review Committee within thirty (30) days after the date of receipt by the Design Review Committee of all required materials.

4.13. Prosecution of Work After Approval. After approval of any proposed Improvement to Property, the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in complete conformity with the description of the proposed Improvement to Property, any materials submitted to the Design Review Committee in connection with the proposed Improvement to Property, and any conditions imposed by the Design Review Committee. Failure to complete the proposed Improvement to Property within eighteen (18) months after the date of approval or such shorter period as specified in writing by the Design Review Committee, or to complete the Improvement to Property in accordance with the description and materials furnished to, and the conditions imposed by, the Design Review Committee, shall constitute noncompliance with the requirements for approval of Improvements to Property.

4.14. Notice of Completion. Upon completion of the Improvement to Property, the Applicant shall give written Notice of Completion to the Design Review Committee. Until the date of receipt of such Notice of Completion, the Design Review Committee shall not be deemed to have notice of completion of such Improvement to Property.

4.15. **Inspection of Work.** The Design Review Committee or its duly authorized representative shall have the right to inspect any Improvement to Property prior to or after completion, provided that the right of inspection shall terminate thirty (30) days after the Design Review Committee shall have received a Notice of Completion from Applicant. The Design Review Committee's right to review and inspect the Improvement to Property shall not impose any duty, obligation or liability of any nature concerning the construction, maintenance or engineering of the Improvements.

4.16. **Notice of Noncompliance.** If, as a result of inspections or otherwise, the Design Review Committee finds that any Improvement to Property has been done without obtaining the approval of the Design Review Committee or was not done in complete conformity with the description and materials furnished to, and any conditions imposed by, the Design Review Committee or was not completed within eighteen (18) months after the date of approval by the Design Review Committee or such shorter period as specified herein or in writing by the Design Review Committee, the Design Review Committee shall notify the Applicant in writing of the noncompliance, which notice shall be given, in any event, within thirty (30) days after the Design Review Committee receives a Notice of Completion from the Applicant. The notice shall specify the particulars of the noncompliance and shall require the Applicant to take such action as may be necessary to remedy the noncompliance.

4.17. **Failure of Committee to Act After Completion.** If, for any reason other than the Applicant's act or neglect, the Design Review Committee fails to notify the Applicant of any noncompliance within thirty (30) days after receipt by the Design Review Committee of written Notice of Completion from the Applicant, the Improvement to Property shall be deemed in compliance if the Improvement to Property was, in fact, completed as of the date of Notice of Completion.

4.18. **Appeal to Board of Directors of Finding of Noncompliance.** If the Design Review Committee gives any notice of noncompliance, the Applicant may appeal to the Board of Directors by giving written notice of such appeal to the Board and the Design Review Committee within fifteen (15) days after receipt of the notice of noncompliance by the Applicant. If, after a notice of noncompliance, the Applicant fails to commence diligently to remedy such noncompliance, the Design Review Committee shall request a finding of noncompliance by the Board of Directors by giving written notice of such request to the Association and the Applicant within sixty (60) days after delivery to the Applicant of a notice of noncompliance from the Design Review Committee. In either event, the Board of Directors shall hear the maker in accordance with the provisions of the Bylaws for Notice and Hearing, and the Board shall decide whether

or not there has been such noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same.

4.19. **Correction of Noncompliance.** If the Board of Directors determines that a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than thirty (30) days from the date of receipt by the Applicant of the ruling of the Board of Directors. If the Applicant does not comply with the Board ruling within such period, the Board may, at its option, record a Notice of Noncompliance against the real property on which the noncompliance exists, may enter upon such property and remove the noncomplying Improvement to Property, or may otherwise remedy the noncompliance, and the Applicant shall reimburse the Association, upon demand, for all expenses incurred therewith. If such expenses are not promptly repaid by the Applicant or Owner to the Association, the Board may levy a Reimbursement Assessment against the Owner of the Lot for such costs and expenses. The right of the Association to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Association, Declarant or the Golf Course Owner may have at law, in equity, or under this Declaration. The Applicant and Owner of the Lot shall have no claim for damages or otherwise on account of the entry upon the property and removal of the noncomplying Improvement to Property.

4.20. **No Implied Waiver or Estoppel.** No action or failure to act by the Design Review Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Design Review Committee or the Board of Directors with respect to any Improvement to Property. Specifically, the approval of the Design Review Committee of any Improvement to Property shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement to Property.

4.21. **Committee Power to Grant Variances.** The Design Review Committee may authorize variances from compliance with any of the provisions of this Declaration, including restrictions upon height, size, floor area, or placement of structures or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Design Review Committee. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered

by the variance, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned, including, but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental authority having jurisdiction.

4.22. **Meetings of Committee.** The Design Review Committee shall meet from time to time as necessary to perform its duties hereunder. The Design Review Committee may from time to time, by resolution in writing adopted by a majority of the members, designate a Committee Representative (who may but need not be one of its members) to take any action or perform any duties for or on behalf of the Design Review Committee, except the granting of approval to any Improvement to Property and granting of variances. The action of such Committee Representative within the authority of such Committee Representative or the written consent or the vote of a majority of the members of the Design Review Committee shall constitute action of the Design Review Committee.

4.23. **Records of Actions.** The Design Review Committee shall report in writing to the Board of Directors all final actions of the Design Review Committee, and the Board shall keep a permanent record of such reported action.

4.24. **Estoppel Certificates.** The Board of Directors shall, upon the reasonable request of any interested Person and after confirming any necessary facts with the Design Review Committee, furnish a certificate with respect to the approval or disapproval of any Improvement to Property or with respect to whether any Improvement to Property was made in compliance herewith. Any Person, without actual notice to the contrary, shall be entitled to rely on said certificate with respect to all matters set forth therein.

4.25. **Nonliability of Committee Action.** There shall be no liability imposed on the Design Review Committee, any member of the Design Review Committee, any Committee Representative, the Association, any member of the Board of Directors, or Declarant for any loss, damage, or injury arising out of or in any way connected with the performance of the duties of the Design Review Committee unless due to the willful misconduct of the party to be held liable. In reviewing any matter, the Design Review Committee shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of the Improvement to Property from the standpoint of safety, whether structural or otherwise, or conformance with building codes or other governmental laws or regulations.

4.26. **Construction Period Exception.** During the course of actual construction of any permitted structure or Improvement to Property, and provided construction is proceeding with due diligence, the Design Review Committee shall temporarily suspend

the provisions contained in this Declaration as to the property upon which the construction is taking place to the extent necessary to permit such construction, provided that, during the course of any such construction, nothing is done which will result in a violation of any of the provisions of this Declaration upon completion of construction and nothing is done which will constitute a nuisance or unreasonable interference with the use and enjoyment of other property. The Design Review Committee shall promulgate rules and regulations concerning the use of temporary sanitary facilities and trash dumpsters, type of construction vehicles allowed on and use of the streets, roads, and rights-of-way located within the Community Area and Association Properties, and other activities associated with the construction of Improvements on the Lots, provided said rules and regulations shall not interfere with the rights existing under the Permitted Exceptions.

ARTICLE 5.

ASSOCIATION PROPERTIES

5.1. **Member's Rights of Use and Enjoyment Generally.** Unless otherwise provided in this Declaration, all Members, their immediate family, dependents, and their guests may use the Association Properties, subject to the provisions of the Rules and Regulations.

5.2. **Allocation of Interests in Common Elements and Association Properties.** The undivided interest in the Common Areas appurtenant to each Lot, as well as the undivided interests of each Owner in Association Properties, shall be expressed as a percentage, the numerator of which shall be one and the denominator of which shall be the number of Lots located in the Community Area at any given time.

5.3. **Right of Association to Regulate Use.** The Association, acting through the Board, shall have the power to regulate use of Association Properties to further enhance the overall rights of use and enjoyment of all Members through the promulgation of the Rules and Regulations, subject to the rights contained in the Deed Restrictions, the Golf Course Easements, and the Equestrian Easement.

5.4. **No Partition of Association Properties.** No Owner shall have the right to partition or seek partition of the Association Properties or any part thereof.

5.5. **Liability of Owners for Damage by Member.** Each Owner shall be liable to the Association for any damage to Association Properties or for any expense or liability incurred by the Association which may be sustained by reason of the negligence or willful misconduct of such Owner or any Person using the Association Properties through such Owner and for any

violation by such Owner or any such Person of this Declaration or any Rule and Regulation adopted by the Association. Each Owner shall indemnify and hold the Association harmless from any and all loss, damage, expense, or liability arising from any negligence or willful misconduct of any Owner or Persons using the Association Properties through such Owner. The Association shall have the power, as elsewhere provided in this Declaration, to levy and collect a Reimbursement Assessment against a Member, after Notice and Hearing, to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration or of such Rules and Regulations or for any increase in insurance premiums directly attributable to any such damage or any such violation.

5.6. Association Duties if Damage, Destruction, or Required Improvements. In the event of damage to Association Properties by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Association Properties, the Association shall have the duty to repair, reconstruct, or replace the same, to the extent funds are available to do so. Any insurance proceeds payable by reason of damage or destruction of Association Properties by fire or other casualty shall be paid to the Association and shall be used, to the extent necessary, to pay the costs of repair, reconstruction, or replacement. If funds from insurance proceeds or from reserves for replacement are insufficient to pay all costs of repair, reconstruction, or replacement of Improvements damaged or destroyed, or if the Association is required to make repairs, replacements, or Improvements by governmental authorities, the Association may, in order to make up any deficiency in the insurance proceeds or to pay for the required repair, replacement, or improvement, levy a Special Assessment in accordance with Section 9.19, or if a Member or group of Members is liable for such damage, levy a Reimbursement Assessment against the Member or group of Members responsible therefor, to provide the additional funds necessary. Repair, reconstruction, or replacement of Association Properties shall be done under such contracting and bidding procedures as the Association shall determine are appropriate. If insurance proceeds available to the Association on account of damage or destruction exceed the cost of repair, reconstruction, and replacement, the Association may use the same for future maintenance, repair, improvement, and operation of other Association Properties or any other use deemed appropriate by the Board.

5.7. Association Powers in the Event of Condemnation. If any Association Properties or interests therein are taken under exercise of the power of eminent domain or by private purchase in lieu thereof, the award in condemnation or the price payable shall be paid to the Association, except to the extent payable to any other Person with an interest in such property, including any Beneficiary of such property. The Association shall have the

exclusive right to participate in such condemnation proceedings and to represent the interests of all Owners or other Persons therein. Any award or funds received by the Association shall be held by the Association in the Maintenance Fund as determined by the Board, as a reserve for future maintenance, repair, reconstruction, or replacement of Association Properties or may be used for Improvements or additions to or operation of Association Properties or such other uses deemed appropriate by the Board. No Owner shall be entitled to participate as a party or otherwise in any condemnation proceedings nor to receive any proceeds therefrom.

5.8. Title to Association Properties on Dissolution of Association. In the event of dissolution of the Association, the Association Properties shall, to the extent permitted by law and reasonably possible, be conveyed or transferred to an appropriate public, governmental or quasi-governmental agencies or organizations or to a nonprofit corporation, association, trust, or other organization, to be used, in any such event, for the common benefit of Owners for similar purposes for which the particular Association Property was held by the Association. To the extent the foregoing is not possible, the Association Properties shall be sold or disposed of and the proceeds from the sale or disposition shall be distributed to Members in proportion to each Member's interest in the Association Properties as heretofore allocated.

5.9. Title to Golf Course Property. Neither the Association nor any Owner shall have any right, title or interest whatsoever in the Golf Course Property or the operations conducted on the Golf Course Property, including, but not limited to, usage rights, equity rights, prescriptive easements, any implied or preferential rights to use the improvements, or the right to the continued operation of any improvements located on the Golf Course Property. The Owners' right to use the Golf Course Property, if any, shall be solely by separate contract between the Owner and the Golf Course Owner.

ARTICLE 6.

DECLARANT'S RIGHTS AND RESERVATIONS

6.1. Period of Declarant's Rights and Reservations. Declarant shall have, retain, and reserve certain rights as hereinafter set forth with respect to the Association and the Association Properties from the date hereof, until (a) the time that the last Lot within the Community Area has been sold and conveyed by Declarant to persons other than Declarant and a certificate of occupancy has been issued for the residence constructed thereon, or (b) the date which is twenty-five (25) years from recordation of this Declaration, whichever event occurs first. The rights and reservations hereinafter set forth shall be deemed excepted and reserved in each conveyance of

property by Declarant to the Association whether or not specifically stated therein and in each deed or other instrument by which any property within the Community Area is conveyed by Declarant. The rights, reservations, and easements hereinafter set forth shall be prior and superior to any other provisions of this Declaration and may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment of this Declaration. Declarant's consent to any one such amendment shall not be construed as consent to any other subsequent amendment.

6.2 Right to Construct Additional Improvements on Association Properties. Declarant shall have and hereby reserves the right, but shall not be obligated to, construct additional Improvements on Association Properties at any time and from time to time in accordance with this Declaration for the improvement and enhancement thereof and for the benefit of the Association and Owners. Declarant shall convey or transfer such Improvements to the Association and the Association shall be obligated to accept title to, care for, and maintain the same as Association Properties as elsewhere provided in this Declaration.

6.3 Declarant's Rights to Use Association Properties in Promotion and Marketing of Community Area. Declarant shall have and hereby reserves the right to reasonable use of the Association Properties and of services offered by the Association in connection with the promotion and marketing of the Community Area. Without limiting the generality of the foregoing, Declarant may (a) erect and maintain on any part of the Association Properties such signs, temporary buildings and other structures as Declarant may reasonably deem necessary or proper in connection with the promotion, development, and marketing of real property within the Community Area, (b) provide sales personnel, at Declarant's option, in the entryway facility or other areas of the Association Properties, (c) use vehicles and equipment on Association Properties for promotional purposes, (d) permit prospective purchasers of property within the boundaries of the Community Area who are not Owners or Members of the Association to use Association Properties at reasonable times and in reasonable numbers and (e) refer to the Association Properties and to the Association and services offered by the Association in connection with the development, promotion, and marketing of property within the boundaries of the Community Area.

6.4 Declarant's Rights to Complete Development of Community Area. No provision of this Declaration shall be construed to prevent or limit Declarant's rights to complete development of property within the boundaries of the Community Area, to construct or alter Improvements on any property owned by Declarant within the Community Area, including temporary buildings, to maintain model homes, temporary buildings, construction trailers, or office for construction or sales

purposes, or similar facilities on any property owned by Declarant or owned by the Association within the Community Area; or to post signs incidental to development, construction, promotion, marketing, or sales of property within the boundaries of the Community Area. Nothing contained in this Declaration shall limit the right of Declarant or require Declarant to obtain approvals (a) to excavate, cut, fill, or grade any property owned by Declarant or to construct, alter, demolish, or replace any Improvements on any property owned by Declarant; (b) to use any structure on any property owned by Declarant as a construction, model home, or real estate sales office in connection with the sale of any property within the boundaries of the Community Area; or (c) to require Declarant to seek or obtain the approval of the Design Review Committee or of the Association for any such activity or Improvement to Property on any property owned by Declarant. Nothing in this Declaration shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration.

6.5. Declarant's Approval of Conveyances or Changes in Use of Association Properties. Until Declarant has lost the right to appoint the members of the Design Review Committee, the Association shall not, without first obtaining the prior written consent of Declarant, which consent shall not be unreasonably withheld, convey, change, or alter the use of Association Properties, encumber or mortgage the Association Properties, or use Association Properties other than solely for the benefit of Members or as specifically allowed hereunder, including the right of Declarant and the Golf Course Owner.

6.6. Declarant's Rights to Grant and Create Easements. Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements or to relocate existing easements for (a) access to and egress from or through the Community Area (including, without limitation, access to the Golf Course Property); (b) utilities, including, but not limited to, water, sewer and electrical lines, (c) drainage, including, but not limited to, drainage and ditch lateral easements; (d) sidewalks and pedestrian and bicycle trails and paths; (e) additional specific easements pursuant to the Golf Course Easement; and (f) other purposes incident to the development and sale of the Community Area (collectively the "Easements"). Such Easements may be located by Declarant in, on, under, over, and across (i) Lots within the Community Area so long as such easements do not lie within any Building Envelope, and (ii) the Common Areas. Declarant shall further have the right to grant to public or quasi-public entities the right to construct certain storage or other similar facilities on the Common Areas in connection with the provision of utilities or other services to the Community Area. Any such facilities so located, and all distribution lines located in any easements created pursuant to the provisions hereof, or otherwise, shall, in all events, belong to the provider of such services.

6.7. Declarant's Rights to Convey Additional Property to Association. Declarant shall have and hereby reserves the right, but not the obligation to, convey additional real property and Improvements thereon to the Association at any time and from time to time in accordance within this Declaration.

6.8. Annexation of Additional Properties.

6.8.1. Right to Annex Additional Property. Declarant shall have and hereby reserves the right, for a period of twenty-five (25) years from the date of the recording of this Declaration to annex the Annexable Property to the Community Area. In accordance with the foregoing, each Owner of a Lot hereunder hereby grants to Declarant the right to annex the Annexable Property to the Community Area and to modify such Owner's right to the Common Area accordingly, as more particularly set forth in this Paragraph 6.8. Notwithstanding the foregoing, Declarant is authorized to convey portions of the Annexable Property, prior to its annexation hereto, to such third party or parties as it may deem appropriate, whether for purposes consistent with the Declaration or otherwise. Declarant makes no assurances that all or any portion of the Annexable Property will be added to this Declaration and Declarant reserves the right to annex all or any portion of the Annexable Property to the Community Area in any order it deems fit in its sole and absolute discretion. Any such annexation shall not make or constitute any amendment or modification to this Declaration except as may otherwise be provided herein. The annexation of additional real property to the Community Area shall be accomplished by the filing for record by Declarant with the clerk of the county a Supplemental Declaration containing a legal description of the land area to be added to the Community Area, together with any supplemental plats applicable thereto. The Supplemental Declaration shall incorporate the covenants, conditions and restrictions set forth herein and contain such additional covenants, conditions and restrictions as may be applicable to the property annexed thereby, including any special or particular uses thereof. In addition, the Supplemental Declaration shall provide whether or not the Lots located in the property annexed thereby (the "Annexed Property") shall be subject to the jurisdiction of a Subassociation or shall not be subject to the jurisdiction of a Subassociation. The annexation of Annexable Property may be accomplished by successive Supplemental Declarations, in no particular or pre-established order, and may provide that the property annexed thereby is to be phased so that it is to be

made subject to this Declaration at different times. Any such Supplemental Declaration may impose on the Annexed Property described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes, and other provisions than those set forth in this Declaration, taking into account the unique and particular aspects of the proposed development of the Annexed Property covered thereby. Furthermore, Declarant shall have the right to reserve in such Supplemental Declaration any such development right which is necessary or appropriate to complete the development of the Annexed Property or which is otherwise necessary to meet the unique and particular aspects of the Annexed Property. A Supplemental Declaration may provide for a Subassociation of Owners within the Annexed Property described in the Supplemental Declaration and for the right of the Subassociation to assess such Owners. Upon recordation of a Supplemental Declaration, the Annexed Property shall be subject to all of the covenants, conditions, restrictions, limitations, reservations, exceptions, easements, and other provisions set forth in this Declaration, except to the extent specifically stated in the Supplemental Declaration, but in no event shall the covenants, conditions and restrictions of such Supplemental Declaration be less stringent than those set forth herein.

6.8.2. **Effect of Expansion.** In the event any real property is annexed to the Community Area as provided herein, the definitions used in this Declaration shall be automatically expanded to encompass and refer to the Community Area as expanded; e.g., "Community Area" shall mean the real property described herein plus any additional real property annexed thereto; similarly, "Common Area" and "Lots" shall include those areas as described herein as well as those so designated on any Supplemental Declaration or Supplemental Plat relating to any real property which is annexed pursuant to this Paragraph 6.8. References to this Declaration shall mean this Declaration as so supplemented by any Supplemental Declaration. Every Owner of a Lot in the area annexed to the Community Area shall, by virtue of ownership of such annexed property and upon recordation of the Supplemental Declaration annexing such property to the Community Area, be a member of the Association and shall be entitled to the same rights and privileges and subject to the same duties and obligations as any other Association Member. The recording of the Supplemental Declaration with the Clerk and Recorder of the county, and the county in which the annexed property is located

(if different than the county), shall operate automatically to grant, transfer, and convey to all Owners of Lots located within the Community Area, and Owners of Lots within the annexed property thereto, their respective, appurtenant, undivided rights, titles, interests, privileges, duties and obligations in and to both the existing Common Area and any additional common area added to the existing Common Area by virtue of such annexation, if any. Annual assessments for Lots within the area annexed to the Community Area shall commence as of the date of the recording of the Supplemental Declaration and shall be prorated as of such date. Upon the annexation of any Annexable Property to the Community Area, each Owner's undivided interest in the Common Areas and the Association Properties shall be reallocated in accordance with the provisions of Section 5.2 hereof. Upon recording of the Supplemental Declaration and any other supplemental plat with the Clerk and Recorder of the county, and the county in which the annexed property is located if different than the county, the additional Lots and Common Area shall be subject to the terms and provisions of this Declaration.

6.9. **Withdrawal of Annexed Property.** Annexed Property for which a Supplemental Declaration has been recorded may be withdrawn from the Community Area and from this Declaration by Declarant at any time prior to the time any Lot contained therein has been conveyed to a third party. Such withdrawal may be accomplished by the execution, acknowledgment, and recordation of a Notice of Withdrawal. The Notice of Withdrawal (a) shall be executed and acknowledged by the Owner of the Annexed Property; (b) shall, if the Annexed Property is not then owned by Declarant, contain the executed and acknowledged written consent of Declarant for so long as Declarant owns any property in the Community Area and has the power to annex additional property to the Association Area; (c) shall contain an adequate legal description of the Annexed Property; (d) shall contain a reference to the Supplemental Declaration for the Annexed Property which reference shall state the date thereof, the date of recordation thereof, and the book and page of the records in the office of the Clerk and Recorder of the county where the Supplemental Declaration was recorded; and (e) shall contain a statement and declaration that the Annexed Property is withdrawn from the Community Area and shall not be thereafter subject to this Declaration or the Supplemental Declaration for the Annexed Property. The withdrawal shall be effective upon recording of the Notice of Withdrawal and, upon recording of the Notice of Withdrawal, the annexed property described therein shall no longer be part of the Community Area or subject to this Declaration or to the Supplemental Declaration for the Annexed Property.

6.10. **Expansion or Contraction of Annexable Property.** Subject to any limitations contained in the Ordinance, the Annexable Property may be expanded or contracted to add or delete real property effective upon the recordation of a written instrument, executed by Declarant, describing such real property and declaring that such real property shall thereafter be added to or deleted from the Annexable Property.

6.11. **Creation of Drainage Easements.** Notwithstanding anything set forth herein to the contrary, Declarant shall have the right to enter into such easements and rights-of-way which provide for the use of the Association and Owners of certain drainage facilities that may be located outside the Community Area. Such easements may contain the obligation of the Association to bear a proportionate cost of constructing and maintaining any such facilities that are for the benefit of the Association, including, without limitation the construction and maintenance of drainage ponds located on the Golf Course Property. The existence of such easements shall no way be construed as creating any rights of Owners to use or gain access to such drainage facilities.

6.12. **Approved Builders.** Subject to the provisions of Article 4 hereof, Approved Builders shall have the right to construct or alter Improvements on any Lots owned by the Approved Builder within the Community Area provided it has first received the approval from the Design Review Committee (which approval may in the form of blanket approval of a particular plan or model intended to be built on more than one Lot), including temporary buildings; to maintain model homes, temporary buildings, or offices for construction or sales purposes, or similar facilities on any property owned by any Approved Builder within the Community Area; or to post signs subject to the approval of the Design Review Committee incidental to development, construction, promotion, marketing, or sales of property within the boundaries of the Community Area. Nothing contained in this Declaration shall limit the right of any Approved Builder or require any Approved Builder to obtain approvals (a) to excavate, cut, fill, or grade any property owned by any Approved Builder or to construct, alter, demolish, or replace any Improvements on any property owned by any Approved Builder; (b) to use any structure on any property owned by any Approved Builder as a construction (including storage of construction material subject to Declarant's approval of the location of such storage), model home, or real estate sales office in connection with the sale of any property within the boundaries of the Community Area.

6.13. **Conversion of Common Areas to Lots.** Declarant shall have the right to convert any Common Areas specifically identified on the Plat or any Supplemental Plat as convertible properties into Lots owned by Declarant.

ARTICLE 7.

ASSOCIATION OPERATION

7.1. Association. The formal establishment of The Estates at Tour 18 Homeowners Association will be accomplished by filing of the Articles of Incorporation of The Estates at Tour 18 Homeowners Association with the Secretary of State of Texas and the subsequent issuance by the Secretary of State of the Certificate of Incorporation of The Estates at Tour 18 Homeowners Association. As more specifically set forth hereinafter, the Association shall have a Board of Directors to manage its affairs. Bylaws for The Estates at Tour 18 Homeowners Association will be established and adopted by the Board of Directors of The Estates at Tour 18 Homeowners Association. Except as may be provided herein, the Articles of Incorporation or the Bylaws, the Board of Directors shall be elected by Owners acting in their capacity as Members of the Association.

7.2. Association Board of Directors. The affairs of the Association shall be managed by a Board of Directors. The number, term, and qualifications of the Board of Directors shall be fixed in the Articles of Incorporation and Bylaws. The Board of Directors may, by resolution, delegate portions of its authority to officers of the Association, but such delegation of authority shall not relieve the Board of Directors of the ultimate responsibility for management of the affairs of the Association. Action by or on behalf of the Association may be taken by the Board of Directors or any duly authorized executive committee, officer, agent, or employee without a vote of Members, except as otherwise specifically provided in this Declaration.

7.3. Membership in Association. Each Owner of a Lot within the Community Area shall be a Member of the Association. There shall be one Membership in the Association for each Lot within the Community Area. The Person or Persons who constitute the Owner of a Lot shall automatically be the holder of the Membership appurtenant to that Lot, and the Membership appurtenant thereto shall automatically pass with fee simple title to the Lot. Declarant shall hold a Membership in the Association for each Lot owned by Declarant. Membership in the Association shall not be assignable separate and apart from fee simple title to a Lot except that an Owner may assign some or all of his rights as an Owner and as a Member of the Association to a tenant or Beneficiary and may arrange for a tenant to perform some or all of such Owner's obligations as provided in this Declaration, but no Owner shall be permitted to relieve himself of the responsibility for fulfillment of the obligations of an Owner under this Declaration.

7.4. **Classes of Membership.** The Association shall have two (2) classes of membership: (i) Class A Members, which shall be all Owners of Lots other than Declarant, who shall be entitled to one (1) vote for each Lot owned. When more than one (1) person owns an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as determined among themselves, but in no event shall more than one (1) vote be cast with respect to any Lot; (ii) the Class B Member shall be Declarant, who shall be entitled to three (3) votes for each Lot owned. The Class B membership for each Lot shall cease and be converted to Class A membership upon the date (the "Transfer Date") when the total votes in Class A memberships equal or exceed the total votes in Class B membership; provided, however, that if additional land is annexed or added to the property pursuant to the provisions recited herein, the Class B membership status shall be reinstated to Declarant based upon the number of new Lots, if any, contained in such additional land and the Lots remaining in the original developed land.

7.5. **Voting Rights of Members.** Regardless of the manner in which voting requirements may be described in this Declaration, the requisite number of votes shall be determined with reference to the number of votes, not number of Owners or Members, in the Association. This provision is intended to address the case of a single person who owns more than one (1) Lot. Notwithstanding the foregoing, Declarant shall be entitled to select and appoint, in its sole discretion, Directors, in accordance with the Bylaws (the "Declarant's Control Period"), until the expiration of Declarant's Control Period as hereinafter provided; provided, however, that not later than sixty (60) days after conveyance of twenty-five percent (25%) of the total number of Lots that may be created within the Community Area by Declarant to Owners other than Declarant, at least one Member, and not less than twenty-five percent (25%) of the Members of the Board of Directors must be elected by Owners other than Declarant and that no later than sixty (60) days after the conveyance of fifty percent (50%) of the total number of Lots that may be created within the Community Area to Owners other than Declarant, not less than thirty-three and one-third percent (33-1/3%) of the Members of the Board of Directors must be elected by Owners other than Declarant. Declarant's Control Period shall cease on the happening of any of the following events, whichever occurs earlier: (a) when seventy-five percent (75%) of the total number of Lots that may be created within the Community Area have been conveyed to Persons other than Declarant and certificates of occupancy have been issued for residences constructed thereon; or (b) when, in its discretion, Declarant so determines.

7.6. **Determination of Member Voting Percentages.** Notwithstanding anything to the contrary contained herein, only Members whose voting rights are in good standing under the Association's Bylaws (e.g., voting rights which have not been suspended as provided therein) shall be entitled to vote on

Association matters. In accordance therewith, any and all provisions contained herein requiring the approval of a requisite percentage of Members of the Association shall be deemed satisfied when the requisite percentage of Members entitled to vote has been met.

ARTICLE 8.

DUTIES AND POWERS OF ASSOCIATION

8.1. General Duties and Powers of Association. The Association has been formed to further the common interests of the Members. The Association, acting through the Board or Persons to whom the Board has delegated such powers, shall have the duties and powers hereinafter set forth and, in general, the power to do anything that may be necessary or desirable to further the common interests of the Members, to maintain, improve, and enhance the common interests of the Members, to maintain, improve, and enhance Association Properties, to improve and enhance the attractiveness, aesthetics, and desirability of the Community Area, and to protect the general health, safety, and welfare of the Members.

8.2. Duty to Accept Property and Facilities Transferred by Declarant. The Association shall accept title to any real property, including any Improvements thereon and personal property transferred to the Association by Declarant, and equipment related thereto, together with the responsibility to perform any and all Administrative Functions associated therewith, provided that such property and functions are not inconsistent with the terms of this Declaration. Property interests transferred to the Association by Declarant may include fee simple title, easements, leasehold interests, and licenses to use. Any property or interest in property transferred to the Association by Declarant shall be within the boundaries of the Community Area; provided, however, that Declarant shall be entitled to transfer and convey the beneficial use of an easement, subject to, any obligations thereunder, located outside of the Community Area but which benefits the Association and the Owners. Any property or interest in property transferred to the Association by Declarant shall, except to the extent otherwise specifically approved by resolution of the Board of Directors, be transferred to the Association free and clear of all monetary obligations, liens and encumbrances (other than the lien of property taxes and assessments not then due and payable), but shall be subject to the terms of this Declaration, and easements, covenants, conditions, restrictions, and equitable servitudes or other encumbrances of record. Except as otherwise specifically approved by resolution of the Board of Directors, no property or interest in property transferred to the Association by Declarant shall impose upon the Association any obligation to make monetary payments to Declarant or any affiliate of Declarant, including, but not limited to, any purchase price, rent, charge, or fee.

8.3. **Landscaping Easement.** The Association hereby establishes for itself a nonexclusive easement for landscaping maintenance purposes over that portion of the Lots fronting the streets, roads and rights-of-way within the Community Area. The Association shall have the right, but not the obligation, to install landscaping and irrigation facilities within eighteen feet (18') abutting the roads, streets and rights-of-way within the Community Area (the "Landscaping Easement"). The Association shall have the right, but not the obligation, to plant, maintain, and replace landscaping within any portion of the Landscaping Easement as it determines, for any period that it desires. Further, the Association can commence or terminate its landscaping maintenance, for any portion of the Landscaping Easement, as it chooses, and can recommence or cease landscaping maintenance from time to time, in its sole discretion. During any period the Association chooses not to maintain the landscaping within all or any portion of the Landscaping Easement, the Owners of Lots for such areas shall have the obligation to maintain the landscaping within the Landscaping Easement, in accordance with the provisions of Section 3.1 of this Declaration. Should any Owner fail to maintain the landscaping within the Landscaping Easement, during a period in which the Association is not maintaining such landscaping, the Association shall have the right to enter onto such Lot Owners property and maintain the landscaping, and charge such Lot Owner with the cost of such maintenance, as provided in Section 3.1.

8.4. **Duty to Manage and Care for Association Properties.** The Association shall manage, operate, care for, maintain, and repair all Association Properties and to keep the same in an attractive and desirable condition for the preservation, protection, and enhancement of the property value and the general health, safety, and welfare of the Members, use and enjoyment of the Members.

8.5. **Duty to Pay Taxes.** The Association shall pay all taxes and assessments levied upon the Association Properties and all taxes and assessments payable by the Association. The Association shall have the right to contest any such taxes or assessments provided that the Association shall contest the same by appropriate legal proceedings which shall have the effect of preventing the collection of the tax or assessment and the sale or foreclosure of any lien for such tax or assessment and provided that the Association shall keep and hold sufficient funds to pay and discharge the taxes and assessments, together with any interest and penalties which may accrue with respect thereto, if the contest of such taxes is unsuccessful.

8.6. **Duty to Maintain Casualty Insurance.** The Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, property insurance on all insurable Improvements and personal property owned by the

Association or that must be owned by the Association in the future, to broad form covered causes of loss, including, casualty, fire, and extended coverage insurance with respect to all insurable Improvements and personal property owned by the Association including, if available at reasonable cost, coverage for vandalism and malicious mischief and, if available and if deemed appropriate, coverage for flood, earthquake, and war risk. Such insurance shall, to the extent reasonably obtainable, be for the full insurable replacement cost of the insured property, less applicable deductibles at the time the insurance is purchased and at each renewal date, exclusive of land, excavation, foundations and other items normally excluded from property policies.

8.7. **Duty to Maintain Liability Insurance.** The Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Association Properties and covering public liability for bodily injury and property damage and, if the Association owns or operates motor vehicles, public liability for bodily injury and property damage arising as a result of the ownership and operation of motor vehicles. Such liability insurance for other than motor vehicle liability shall, to the extent reasonably obtainable, (a) have limits of not less than Five Hundred Thousand Dollars (\$500,000.00) per person and One Million Dollars (\$1,000,000.00) per occurrence; (b) insure the Board, the Association, the Manager, if any, and their respective employees, agents and all Persons acting as agents; (c) include Declarant as an additional insured in such Declarant's capacity as a Member or Board member; (d) include the Members as an additional insured, but only for claims and liabilities arising in connection with the ownership, existence, use or management of Association Properties, and (e) cover claims of one or more insured parties against other insured properties.

8.8. **General Provisions Respecting Insurance.** Insurance obtained by the Association may contain such deductible provisions as good business practice may dictate. If the insurance described is not reasonably available, or if any policy of such insurance is cancelled or renewed without a replacement policy therefor having been obtained by it, the Association shall promptly cause notice of that fact to be delivered to all Members. The Association may carry any other type of insurance it considers appropriate in amounts it deems appropriate, to insure the interests of the Association. Insurance policies carried pursuant to Sections 8.6 and 8.7 shall provide that (a) each Member is an insured Person under the policy with respect to liability arising out of such Member's interest in the Association Properties or membership in the Association; (b) the insurer waives its right of subrogation under the policy against the Association, each Member, and any Person claiming by, through, or under such Member or any other director, agent, or

employee of the foregoing, (c) no act or omission by any Member, unless acting within the scope of such Member's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy, and (d) if at the time of a loss under the policy, there is other insurance in the name of a Member covering the same risk covered by the policy, the Association's policy shall be the primary insurance. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles claims for damages to real property, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration for all deductibles paid by the Association. Insurance obtained by the Association shall, to the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, name Declarant as an additional insured and shall contain a waiver of rights or subrogation as against Declarant. Insurance policies and insurance coverage shall be reviewed at least annually by the Board of Directors to ascertain whether coverage under the policies is sufficient in light of the current values of the Association Properties and in light of the possible or potential liabilities of the Association. The aforementioned insurance may be provided under blanket policies covering the Association Properties and property of Declarant. In no event shall insurance coverage obtained or maintained by the Association be bought into contribution with insurance purchased by Owners, occupants or their Beneficiaries.

8.9 Fidelity Bonds Required. The Association shall obtain and keep in force at all times a fidelity bond or bonds for any Person handling funds of the Association. Each such bond shall name the Association as obligee and shall be not less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the Manager, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots plus reserve funds.

8.10. Other Insurance and Bonds. The Association shall obtain such other insurance as may be required by law, including workmen's compensation insurance, and shall have the power to obtain such other insurance and such fidelity, indemnity, or other bonds as the Association shall deem necessary or desirable.

8.11. Duty to Prepare Budgets. The Association shall prepare Budgets for the Association as elsewhere provided in this Declaration.

8.12 Duty to Levy and Collect Assessments. The Association shall levy and collect Assessments as elsewhere provided in this Declaration.

8.13. Duty to Keep Association Records. The Association shall keep financial records sufficiently detailed to provide a statement setting forth the amount of any unpaid Assessments currently levied against an Owner.

8.14. Duties with Respect to Design Review Committee Approvals. The Association shall perform functions to assist the Design Review Committee as elsewhere provided in this Declaration.

8.15. Power to Acquire Property and Construct Improvements. The Association may acquire property or interests in property for the common benefit of Owners including Improvements and personal property. The Association may construct Improvements on property and may demolish existing Improvements.

8.16. Power to Adopt Rules and Regulations. The Association may adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration, the operation of the Association, the use and enjoyment of Association Properties, and the use of any other property within the Community Area, including Lots. Any such Rules and Regulations shall be effective only upon adoption by resolution of the Board of Directors. Notice of the adoption, amendment, or repeal of any Rule or Regulation shall be given in writing to each Member at the address for notices to Members as elsewhere provided in this Declaration or the Bylaws, and copies of the currently effective Rules and Regulations shall be made available to each Member upon request and payment of the reasonable expense of copying the same. Each Member shall comply with such Rules and Regulations and shall see that Persons claiming through such Member comply with such Rules and Regulations. Such Rules and Regulations shall have the same force and effect as if they were set forth in and were part of this Declaration. In the event of conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail. Such Rules and Regulations may contain provisions relating to control over limiting access to the Community Area to Owners, their guests and invitees, establishing traffic safety and parking regulations and a system of fines for noncompliance, provided in no event shall the Rules and Regulations limit or prohibit (i) the rights of Declarant set forth herein, or (ii) the rights of Golf Course Owner, including, but not limited to, access of customers, prospective lot purchasers, brokers, guests, invitees, or employees of the Golf Course Owner or Declarant, or interfere, restrict or amend the rights and privileges granted to said parties herein or in the Deed Restrictions, the Golf Course Easements, the Equestrian Easement, and any other easements or documents between Declarant and the Golf Course Owner and/or the Association

8.17. Power to Enforce Declaration and Rules and Regulations. The Association shall have the power to enforce the provisions of this Declaration and the Rules and Regulations and shall take such action as the Board deems necessary or desirable to cause such compliance by each member and each Person claiming by, through, or under such Member ("Related User"). Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and the Rules and Regulations by any one or more of the following means: (a) by entry upon any property within the Community Area after Notice and Hearing (unless a bona fide emergency exists), without liability to the Owner thereof or the Association, for the purpose of enforcement or causing compliance with this Declaration or the Rules and Regulations; (b) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations, by mandatory injunction or otherwise; (c) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration or the Rules and Regulations; (d) by suspension, after Notice and Hearing, of the voting rights of a Member during and for up to ten (10) days following any breach by such Member or a Related User of such Member of this Declaration or the Rules and Regulations, unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues; (e) by levying and collecting, after Notice and Hearing, a Reimbursement Assessment against any Member for breach of this Declaration or the Rules and Regulations by such Member or Related User of such Member; and (f) uniformly applied fines and penalties, established in advance in the Rules and Regulations of the Association, from any Member or Related User for breach of this Declaration or the Rules and Regulations by such Member or Related User of such Member. In the event that the Association fails to enforce the provisions of this Declaration as provided for herein, each Member shall, upon thirty (30) days' written notice to the Association, have the power (a) to enforce the provisions hereof by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, by mandatory injunction or otherwise, or (b) to commence or maintain actions and suits to recover damages for breach of any of the provisions of this Declaration.

8.18. Power to Grant Easements. The Association shall have the power to grant access, utility, drainage, water facility, and other such easements in, on, over, or under Association Properties, as well as the power to designate portions of the Association Properties as limited common elements for the benefit of specific Lot owners.

8.19. Power to Convey and Dedicate Property to Governmental Agencies. The Association shall have the power to grant, convey, dedicate, or transfer any Association Properties or facilities to any public, governmental or quasi-governmental agency or authority for such purposes and subject to such terms and conditions as the Association shall deem appropriate, subject to the provisions elsewhere contained in this Declaration for approval of the same by Declarant with respect to property transferred to the Association by Declarant. Further, to the extent that any easement or right-of-way is required under or across any Association Properties, the Association shall have the right to grant or convey the same without the consent of the Members.

8.20. Power to Borrow Money and Mortgage Property. The Association shall have the power to borrow money and to encumber Association Properties as security for such borrowing, subject to provisions elsewhere contained in this Declaration with respect to required approvals and consents to such action.

8.21. Power to Engage Employees, Agents, and Consultants. The Association shall have the power to hire and discharge employees and agents and to retain and pay for management, (e.g., management company), legal and accounting services as may be necessary or desirable in connection with the performance of any duties or the exercise of any powers of the Association under this Declaration.

8.22. General Corporate Powers. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Declaration or the Articles of Incorporation or Bylaws and to do and perform any and all acts which may be necessary or desirable for, or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration and the Articles of Incorporation or Bylaws.

8.23. Power to Provide Public Functions. The Association shall have the power to acquire, construct, operate, manage, maintain, repair, and replace public facilities and to provide Public Functions as defined in this Declaration. The Association may enter into such cooperative agreements and arrangements as it may deem necessary and appropriate with any provider of utilities or public services to Owners, including any special municipal or quasi-municipal districts created for the purpose of providing such services.

8.24. Power to Provide Services to Subassociations. The Association shall have the power to provide services to Subassociations, if any. Such services to any Subassociation shall be provided pursuant to an agreement in writing between the Association and such Subassociation which shall provide for the payment by such Subassociation to the Association of the reasonably estimated expenses of the Association of providing such services to the Subassociation including a fair share of the overhead expenses of the Association. Services which may be provided to a Subassociation may include, without limitation, (a) the construction, care, operation, management, maintenance, repair, and replacement of improvements owned by Subassociation; (b) the providing of Public Functions to the covered by the Subassociation; (c) the enforcement of the provisions of any Supplemental Declaration for, on behalf of, and in the name of the Subassociation; (d) the collection of assessments for, in the name of, and on behalf of a Subassociation; (e) the payment of taxes for a Subassociation with funds of the Subassociation; (f) the obtaining of insurance for a Subassociation; (g) the collection of charges for use of facilities of a Subassociation; and (h) the appointment and supervision of a Manager or Managers for a Subassociation.

8.26. Power to Charge for Association Properties, Facilities and Services. The Association shall have the power to establish reasonable and uniformly applied charges for the use of Association Properties, facilities and services. The charges may include reasonable admission or other fees for any special or extraordinary use of Association Properties, facilities or services of the Association such as special parking privileges, special recreation facilities, conference rooms, instruction, day care or child care services or similar uses beyond the ordinary use of Association Properties, facilities, and services. Such charges or fees shall be set forth in schedules of charges and fees adopted from time to time by the Board of Directors. No fees or charges shall be levied on (i) customers, members, guests, or invitees of the Golf Course Property, (ii) potential lot purchasers, brokers or other invitees of Declarant, or

(iii) on residents or guests of the Town of Flower Mound, for their ingress or egress across the Common Areas, as provided in the Golf Course Easements, the Deed Restrictions, the Equestrian Easement, and other easements granted pursuant to the terms recited herein.

8.27. **Power to Employ Managers.** The Association shall have the power to retain and pay for the services of a Manager or Managers, which may be an affiliate of Declarant, to undertake any of the management of any functions or duties for which the Association has responsibility under this Declaration to the extent deemed advisable by the Association, and may delegate any of its duties, powers, or functions to any such Manager. Any contract or agreement with any such Manager shall be terminable by the Association for cause on no more than thirty (30) days' prior written notice, and shall be terminable by the Association without cause and without payment of a termination fee on no more than ninety (90) days' prior written notice. ARTICLE 9.

ASSESSMENTS, BUDGETS, AND FUNDS

9.1. **Maintenance Funds To Be Established.** The Association may establish and maintain the following separate Maintenance Funds: (a) an Administrative Functions Operating Fund; and (b) an Administrative Functions Reserve Fund. The Maintenance Funds shall be established as one or more trust savings or trust checking accounts at any financial institution in which deposits are insured by an agency of the federal government. Notwithstanding any thing else to the contrary contained herein, in no event shall the Association be required to apply any surplus funds of the Association remaining after payment of or provision for common expenses, or any prepayment of or provision for reserves, against any Members' future Common Assessment or return such surplus funds to the Members.

9.2. **Establishment of Other Funds.** The Association may establish other funds as and when needed. Nothing herein shall limit, preclude, or impair the authority of the Association to establish other funds for specified purposes authorized by this

9.7. **Common Assessments.** For each calendar year, the Association may levy Common Assessments against Owners of the Lots. Each Owner shall be obligated to pay the Common Assessments levied against and allocated to such Owner and the Lot of such Owner, as hereinafter provided

9.8. **Apportionment of Common Assessments.** For purposes of assessing the Common Assessments, each Lot shall constitute one (1) Unit regardless of the size, value, location, or use of such Lot. The amount of the Common Assessment for any year, payable by the Owner of such Lot, shall be computed by multiplying the total amount to be raised by the Common Assessments for that year, as shown in the Association Budget for that year, by a percentage (rounded to the nearest one-tenth of one percent (0.1%)), derived from a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in the Community Area as of the first day of that calendar year.

9.9. **Funding of Reserve Funds.** The Board, in budgeting and levying assessments, shall endeavor, whenever possible, to fund the Administrative Functions Reserve Fund by regularly scheduled payments, included as part of the Common Assessments, rather than by large Special Assessments. Amounts in the Administrative Functions Reserve Fund may be used in the discretion of the Board of Directors, from time to time, for any purpose for which a Common or Special Assessment may be used

9.10. **Supplemental Common Assessments.** Subject to the provision of Section 9.14 hereof, if the estimated sums prove inadequate for any reason, including nonpayment of any Owner's Common Assessment, the Board may, from time to time, levy a Supplemental Common Assessment for any of the Maintenance Funds. Such Supplemental Common Assessment shall be assessed against the Owner of each Lot, in the same manner Common Assessments are originally assessed each year by the Board with respect to the particular Maintenance Fund. Written notice of any change in the amount of any annual Common Assessment shall be sent to every Owner subject thereto, not less than thirty (30) days prior to the effective date of such change.

9.11. **Limitation on Common Assessments.** Except as otherwise provided herein, the Board of Directors shall not levy a Common Assessment against a Lot in any calendar year which is greater than one hundred twenty percent (120%) of the effective Common Assessment assessed against such Lot in the preceding calendar year ("Maximum Common Assessment"), except with the approval of Members representing at least two-thirds (2/3) of the Owners entitled to vote

9.12. **Annual Budgets.** The Board of Directors shall cause to be prepared, at least sixty (60) days prior to the commencement of each calendar year, a Budget for such calendar year, including a reasonable provision for contingencies and

9 7 Common Assessments. For each calendar year, the Association may levy Common Assessments against Owners of the Lots. Each Owner shall be obligated to pay the Common Assessments levied against and allocated to such Owner and the Lot of such Owner, as hereinafter provided.

9 8 Apportionment of Common Assessments. For purposes of assessing the Common Assessments, each Lot shall constitute one (1) Unit regardless of the size, value, location, or use of such Lot. The amount of the Common Assessment for any year, payable by the Owner of such Lot, shall be computed by multiplying the total amount to be raised by the Common Assessments for that year, as shown in the Association Budget for that year, by a percentage (rounded to the nearest one tenth of one percent (0.1%)), derived from a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in the Community Area as of the first day of that calendar year.

9 9 Funding of Reserve Funds. The Board, in budgeting and levying assessments, shall endeavor, whenever possible, to fund the Administrative Functions Reserve Fund by regularly scheduled payments, included as part of the Common Assessments, rather than by large Special Assessments. Amounts in the Administrative Functions Reserve Fund may be used in the discretion of the Board of Directors, from time to time, for any purpose for which a Common or Special Assessment may be used.

9 10 Supplemental Common Assessments. Subject to the provision of Section 9 14 hereof, if the estimated sums prove inadequate for any reason, including nonpayment of any Owner's Common Assessment, the Board may, from time to time, levy a Supplemental Common Assessment for any of the Maintenance Funds. Such Supplemental Common Assessment shall be assessed against the Owner of each Lot, in the same manner Common Assessments are originally assessed each year by the Board with respect to the particular Maintenance Fund. Written notice of any change in the amount of any annual Common Assessment shall be sent to every Owner subject thereto not less than thirty (30) days prior to the effective date of such change.

9 11 Limitation on Common Assessments. Except as otherwise provided herein, the Board of Directors shall not levy a Common Assessment against a Lot in any calendar year which is greater than one hundred twenty percent (120%) of the respective Common Assessment assessed against such Lot in the preceding calendar year ("Maximum Common Assessment"), except with the approval of Members representing at least two thirds (2/3) of the Owners entitled to vote.

9 12 Annual Budgets. The Board of Directors shall cause to be prepared, at least sixty (60) days prior to the commencement of each calendar year, a budget for such calendar year, including a reasonable provision for contingencies and

deposits into the Administrative Functions and Reserve Funds. The Budget shall show, in reasonable detail, the categories of expenses and the amount of expenses in each Maintenance Fund, and shall reflect any expected income of the Association for the coming calendar year and any expected surplus from the prior year and any existing surplus in any Reserve Fund. The Budget may include an amount for contingencies and amounts deemed necessary or desirable for deposits to create, replenish, or add to the proper Reserve Fund for major capital repairs, replacements, and improvements for Association Properties. Within thirty (30) days after the adoption of any Budget, the Board shall cause a copy of the Budget to be distributed to each Member, shall cause a copy of the Budget to be posted at the principal office of the Association, and shall set a date for a meeting of the Owners to consider ratification of the Budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Such meeting may be concurrent with the annual meeting of Members as provided in the Bylaws. Unless at that meeting a majority of the Owners entitled to vote reject the Budget, the Budget shall be deemed ratified, whether or not a quorum is present. In the event the Budget is rejected, the periodic Budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent Budget proposed by the Board. In the event the Association does not have an address for any Member, such posting shall be deemed delivered to any such Member. At such time as the Association publishes a newsletter for Members, the Budget shall be published in such newsletter. Copies of the Budget shall be made available by the Association to any Members requesting a copy of the same upon payment of the reasonable expense of copying the same.

9.13. **No Disbursements To Abate Adjoining Nuisances or Zoning Amendments.** Nothing in this Declaration shall be construed so as to permit the Association to use any Assessments to abate any annoyance or nuisance emanating from outside the physical boundaries of the Community Area or to dispute any change to the zoning or assessment of any property adjacent to or outside the boundaries of the Community Area.

9.14. **Supplemental Common Assessments.** Subject to the provisions of Section 9.11 of this Declaration, if the Board levies a Common Assessment in an amount less than the Maximum Common Assessment for any calendar year, the Board by majority vote may thereafter levy one or more supplemental common assessments during such calendar year, if it determines that the important and essential functions of the Association cannot be funded by such lesser Common Assessments. In no event shall the sum of the initial and supplemental Common Assessment, as the case may be, for a calendar year exceed the Maximum Common Assessment permitted for that year except as provided in Section 9.11.

The Budget shall show, in reasonable detail, the categories of expenses and the amount of expense in each Maintenance Fund, and shall reflect any expected income of the Association for the coming calendar year and any expenses from the prior year and any existing surplus in any fund. The Budget may include an amount for contingencies and amounts deemed necessary or desirable for deposits to create, replenish, or add to the proper Reserve Fund for major capital repairs, replacements, and improvements for Association Properties. Within thirty (30) days after the adoption of any Budget, the Board shall cause a copy of the Budget to be distributed to each Member, shall cause a copy of the Budget to be posted at the principal office of the Association, and shall set a date for a meeting of the Owners to consider ratification of the Budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Such meeting may be concurrent with the annual meeting of Members as provided in the Bylaws. In the event the Association does not have an address for any Member, such posting shall be deemed delivered to any such Member. At such time as the Association publishes a newsletter for Members, the Budget shall be published in such newsletter. Copies of the Budget shall be made available by the Association to any Members requesting a copy of the same upon payment of the reasonable expense of copying the same.

9.13 No Disbursements To Abate Adjoining Nuisances or Zoning Amendments. Nothing in this Declaration shall be construed so as to permit the Association to use any Assessments to abate any annoyance or nuisance emanating from outside the physical boundaries of the Community Area or to dispute any charge to the zoning or assessment of any property adjacent to or outside the boundaries of the Community Area.

9.14 Supplemental Common Assessments. Subject to the provisions of Section 9.11 of this Declaration, if the Board levies a Common Assessment in an amount less than the Maximum Common Assessment for any calendar year, the Board by majority vote may thereafter levy one or more supplemental common assessments during such calendar year, if it determines that the important and essential functions of the Association cannot be funded by such lesser Common Assessments. In no event shall the sum of the initial and supplemental Common Assessment as the case may be, for a calendar year exceed the Maximum Common Assessment permitted for that year except as provided in said Section 9.11.

9.15. **Member Approval of Increase in Maximum Common Assessment.** If the Board of Directors, by majority vote, determines that the important and essential functions of the Association will not be properly funded in any one year or in any one year and subsequent years by the amount of the Maximum Common Assessment, it may call a meeting of Members entitled to vote requesting approval of a specified increase in the Maximum Common Assessment, or either of them, for either one year or for that one year and one or more of all subsequent years. An increase in the Maximum Common Assessment for any one year or for any one year and all subsequent years shall require the approval of Members representing two-thirds (2/3) of the Owners entitled to vote.

9.16. **Commencement of Common Assessments/Community Area.** Common Assessments shall commence and be due and payable as to each Lot within the Community Area within thirty (30) days following the date of recordation of the first Deed conveying a Lot within the Community Area. The Common Assessments for the then current calendar year shall then be prorated within the Community Area on the basis of the number of days in such calendar year remaining from the date of commencement of such Common Assessments to the end of such calendar year. For the purposes of this Declaration, the Common Assessment shall be an amount equal to \$500.00 per year for each undeveloped Lot and \$1,500.00 per year for each Developed Lot (the "Initial Assessment"), until revised by a vote of the Board of Directors, subject to the limitations in Section 9.12. Provided, however, in no event shall the amount assessed against an undeveloped Lot for the Initial Assessment or any subsequent Common Assessment be greater than one-third (1/3) of the amount assessed against a Developed Lot. A Lot shall be deemed a "Developed Lot" as of the date any Improvements to be constructed on the Lot are approved by the Design Review Committee. In addition to the foregoing, each purchaser of a Lot from Declarant shall deposit with the Association on the closing date of the sale an amount equal one-half (1/2) of the Common Assessment for the applicable calendar year which amount shall be held by the Association in the Administrative Functions Reserve Fund.

9.17. **Payment of Assessment.** Except for the Initial Assessment, Common Assessments shall be due and payable in advance to the Association by the assessed Member during the calendar year in four (4) quarterly installments, on or before January 1, April 1, July 1, and October 1 of each calendar year, or in such other manner and on such other dates as the Board of Directors may designate in its sole and absolute discretion. Notice of the amount of the Common Assessments shall be given to each Member prior to January 1 of each year.

9.18. **Failure to Fix Assessment.** The failure by the Board of Directors to levy an Assessment for any year shall not be deemed a waiver or modification with respect to any of the provisions of this Declaration or a release of the liability of

any Member to pay Assessments, or any installment thereof, for that or any subsequent year. No abatement of the Common Assessment or any other Assessment shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or Improvements to Association Properties or from any action taken to comply with any law or any determination of the Board of Directors or for any other reason.

9.19. **Special Assessments for Capital Expenditures.** In addition to Common Assessments, the Board of Directors may, subject to the provisions of this Section, levy Special Assessments for the purpose of raising funds not otherwise provided under the Budget from Common Assessments to construct or reconstruct, repair, or replace capital Improvements upon Association Properties, including necessary personal property related thereto, to add to the Association Properties, to provide for necessary facilities and equipment to offer the services authorized in this Declaration; or to repay any loan made to the Association to enable it to perform the duties and functions authorized in this Declaration. Except as expressly provided in Section 5.9 above regarding the Golf Course Property, the Board of Directors shall not levy Special Assessments without the vote of the Members representing at least two-thirds (2/3) of the Owners of Lots subject to the Special Assessment who are entitled to vote. The Association shall notify Members in writing of the amount of any Special Assessment and of the manner in which, and the dates on which, any such Special Assessment is payable and the Members shall pay any such Special Assessment in the manner so provided.

9.20. **Reimbursement Assessments.** The Board of Directors may, subject to the provisions hereof, levy an Assessment against any Member if the willful or negligent failure of the Member or a Person claiming through the Member to comply with this Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations shall have resulted in the expenditure of funds by the Association to cause such compliance including, but not limited to, court costs and attorneys' fees. Such Assessment shall be known as a Reimbursement Assessment and shall be levied only after Notice and Hearing. The amount of the Reimbursement Assessment shall be due and payable to the Association thirty (30) days after notice to the Member of the decision of the Board of Directors that the Reimbursement Assessment is owing.

9.21. **Units or Lots by Declarant.** Notwithstanding the foregoing, Declarant and all Lots owned by Declarant, including Lots subsequently reacquired by Declarant, shall be exempt from the Common Assessments or Special Assessments charged to Owners, delinquent assessments charged to prior Owners on any reacquired Lots, and any lien created thereby so long as there is a Class B Membership as set forth in Section 7.4. Declarant hereby agrees that for such period of time as there is a Class B Membership in effect and Declarant's Lots are exempt from assessment as provided above, that in the event that the annual Common Assessments are insufficient to pay the operating expenses of the

Association. Declarant shall provide the funds necessary to make up the deficit, within thirty (30) days of receipt of request for payment thereof from the Association, provided that if the deficit is the result of the failure or refusal of an Owner or Owners to pay their annual Common Assessments, the Association shall diligently pursue all available remedies against such defaulting Owners, including the immediate institution of litigation to recover the unpaid Common Assessments, and shall reimburse Declarant the amounts, if any, so collected. Notwithstanding the above, Declarant reserves the right to convert at anytime upon written notice to the Association its Lots from Class B Member to Class A Member and (i) the exemption from the Common Assessments and Special Assessments shall immediately terminate, and (ii) the obligation of Declarant to fund any subsequent deficit amount referenced above arising after the date of termination shall terminate.

9.22. **Late Charges and Interest.** Any Common Assessment, Special Assessment, or Reimbursement Assessment or any installment thereof not paid within ten (10) days after the due date shall bear interest from due date at the highest nonusurious rate of interest allowed by Texas law or eighteen percent (18%) per annum, whichever is less. The Association shall have the authority to impose late charges to compensate for the administrative and processing costs of late payments on such terms as it may establish by duly adopted resolutions and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien retained herein against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his property.

9.23. **Attribution of Payments.** If any installment of a Common Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from that Owner shall be credited in the following order of priority: (a) to the Administrative Functions Reserve Fund until that portion of the Common Assessment has been satisfied; and (b) to the Administrative Functions Operating Fund. In each of the foregoing cases, receipts shall be credited first to interest, attorneys' fees and other costs of collection, and next to principal reduction, satisfying the oldest obligations first followed by more current obligations, in accordance with the foregoing order of priority.

9.24. **Notice of Default.** If any Common Assessment, Special Assessment, or Reimbursement Assessment or any installment thereof is not paid within ten (10) days after its due date, the Board of Directors may mail a notice of default ("Notice of Default") to the Owner and to each first Beneficiary of the Lot who has requested a copy of the notice. The notice shall specify (a) the fact that the installment is delinquent,

(b) the action required to cure the default; (c) a date, not less than thirty (30) days from the date the notice is mailed to the Member, by which such default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the Assessment or the installments of the Assessment for the then current calendar year, if applicable, and the filing and foreclosure of the lien for the Assessment against the Lot of the Member. The notice shall further inform the Member of any right to cure the default and of any right to bring a court action to assert the nonexistence of a default or any other defense of the Member. If the delinquent Assessment and any late charges or interest thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the Assessment to be immediately due and payable without further demand, if applicable, and may enforce the collection of the Assessment and all charges and interest thereon in any manner authorized by law in this Declaration, subject to the protection afforded to Beneficiaries under this Declaration.

9.25. **Obligation/Remedies to Enforce Assessments.** Subject to the terms of this Article, each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (i) the Common Assessments or charges, (ii) Special Assessments for capital improvements, such assessments to be established and collected as hereinafter provided, and (iii) the Reimbursement Assessments (collectively, the "Assessments"). The Assessments will remain effective for the full term (and extended term, if applicable) of this Declaration. The Common Assessments and Special Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the Assessment fell due. Each Assessment levied hereunder shall be a separate, distinct, and personal debt and obligation of the Owner or Member against whom the same is assessed. In the event of a default in payment of any Assessment or installment thereof, whether Common, Special, or Reimbursement, the Board may, in addition to any other remedies provided under this Declaration or by law, enforce such obligation on behalf of the Association by suit or by filing and foreclosure of a lien as hereinafter provided.

9.26. **Lawsuit to Enforce Assessments.** The Board may bring a suit at law to enforce any Assessment obligation. Any judgment rendered in such action shall include any late charges, interest, and other costs of enforcement, including reasonable attorneys' fees in the amount as the court may adjudge, against the defaulting Owner or Member.

9.27. **Lien to Enforce Assessments.** Pursuant to the laws of the State of Texas, the Association shall have a statutory lien on a Lot for any Assessment levied against that Lot, or fines imposed against its Owner, from the time the Assessment or fine becomes due. All fees, charges, late charges, attorneys' fees, fines and interest outstanding from such Owner shall be included in such lien. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. Unless paid or otherwise satisfied, the lien may be foreclosed and enforced through appropriate proceeding at law or in equity by the Beneficiary; provided, however, that such lien shall be specifically made secondary, subordinate, and inferior to all liens, present and future, given, granted, and created by or at the insistence and request of the Owner of any such Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the Improvement of any such Lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any Lot upon which there is an outstanding, valid, and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of the lienholder by prepaid U S. registered mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, the Beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof. Sale or transfer of a Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale, foreclosure, or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. The Association shall have the right to file notices of liens in favor of such Association in the official records of Denton County, Texas.

9.28. **Stopgap Certificates.** Upon the written request of any Member and any Person with, or intending to acquire, any right, title, or interest in the Lot of such Member, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and accrued and then unpaid with respect to a Lot and the Owner thereof, and setting forth the amount of any Assessment levied against such Lot which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association and all Persons for all purposes, that no greater or other amounts were then due or accrued and unpaid and that no other Assessments have been levied.

9.29. No Offsets. All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted for any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration.

9.30. Failure of Association to Perform Duties. The Town of Flower Mound or its lawful agents, after due notice to the Association, shall have the right to remove any landscape systems, features, or elements that cease to be maintained by the Association; to perform the responsibilities of the Association if the Association fails to do so in compliance with any provisions of the agreements, covenants, or restrictions of the Association or of any applicable Town of Flower Mound codes or regulations; to assess the Association for all costs incurred by the Town of Flower Mound in performing said responsibilities if the Association fails to do so; and/or to avail itself of any other enforcement actions available to the Town of Flower Mound pursuant to state law or Town of Flower Mound codes or regulations. Should the Town of Flower Mound exercise its rights as specified above, the Association shall indemnify and hold harmless the Town of Flower Mound from any and all costs, expenses, suits, demands, liabilities, or damages, including attorneys' fees and costs of suit, incurred or resulting from the Town of Flower Mound's removal of any landscape systems, features, or elements that cease to be maintained by the Association or from the Town of Flower Mound's performance of the aforementioned operation, maintenance, or supervision responsibilities of the Association due to the Association's failure to perform said responsibilities.
